

Want to look younger and return that fresh glow to your complexion?
Tired of spending money on skincare & facials that feel good but have no real effect?

At Coastal Plastic Surgery we use medical grade micro-dermabrasion units that deliver a safe non-invasive treatment which results in smooth, fresh and more luminous skin. Clinical studies support the benefits of Microdermabrasion.

Microdermabrasion is an effective treatment for:

- Fine Lines or Wrinkles
- Pigmentation or Age Spots
- Scarring
- Open Pores
- Age Revealing for Hands
- Course, Uneven, Bumpy Skin
- Dull, Congested or Thickened Skin
